Inspire & Achieve

Monday 21st September 2026

Dear Parents/Carers,

Selborne is proud to serve such a multicultural community, where we have pupils and families from all over the world. Working with Ealing Council and all other schools in the Borough, we are an anti-racist school and ensure there is equity in all that we provide and offer to our pupils. As you are already aware, our school key of **respect** is an integral part of our community. To show our solidarity and to enhance our children's understanding of being anti-racist, we are going to join in on '**Wear Red Day**' on **Friday 16th October**. Many other Ealing primary schools are also joining in.

Your child can wear red clothing on this day instead of their school uniform or substitute an item of their uniform for something red or wear a red accessory (hair clip, hat, socks, belt etc) on this day. We do not expect parents to buy new clothing for this day.

Our PSHE scheme overtly teaches anti-racism in Key Stage 2 and our whole curriculum teaches pupils to have tolerance and understanding for all cultures, religions and beliefs. Our pupils are explicitly taught about how important respect is for EVERYONE. We will sensitively explain why we will be wearing red to the children in an age appropriate way but this initiative stands for everything we believe in at Selborne. There is more information at: <https://www.theredcard.org/wear-red-day/> if you want to find out more.

The event is not to raise money; it is purely to raise awareness. This is a good opportunity to talk with your child about being proud of their own unique heritage and appreciate how fantastic it is that we are part of such a multi-cultural community at Selborne.

Yours faithfully,

Mrs K.
Shilling
Headteacher

WEAR RED DAY 2026

**Be part of our day of action. Wear Red Day - Friday
the 16th of October 2026.**
